

DETROIT METROPOLITAN AIRPORT NORTH TERMINAL

WHAT OTHERS ARE SAYING...

"Detroit Metropolitan Airport's new North Terminal represents a state-of-the-art facility that is customer-friendly, efficient, attractive and environmentally responsible. The projected job creation and economic impact of the new terminal will greatly stimulate Southeastern Michigan. Combined with the McNamara Terminal, the North Terminal will continue to brand Detroit Metropolitan Airport as a world-class leader in air travel."

Robert Ficano, Wayne County Executive
Media Contact: Sharon Banks, (313) 224-0760

"The significance of our state-of-the-art airport to the region's economic growth cannot be overstated. The addition of the new North Terminal is the final piece in the puzzle that makes the Metro Detroit Airport one of the most efficient and modern in the world. It's truly a prize asset for Southeast Michigan,"

Richard E. Blouse Jr., President and CEO, Detroit Regional Chamber
Media Contact: John Kreger, (313) 596-0414

"Detroit Metro Airport plays a critical role in the future of the Aerotropolis as an economic engine for this region. This kind of improved infrastructure enables us to compete with other regions throughout the United States, Europe and Asia by increasing efficiency and modernizing technology."

Doug Rothwell, President, Detroit Renaissance
Media Contact: Kirsten Ussery, (313) 259-8501

"Detroit Metro Airport's new North Terminal will not only be a major enhancement for Detroit-area travelers, but it is also a prime example of what airports across North America are doing to meet increased pressure to provide passenger facilities that are both customer-friendly and efficient for airlines."

Greg Principato, President, Airports Council International-North America
Media Contact: Eileen Denne, (202) 923-8500
